Did You Know You Can Create A Parent Account In Canvas?

- Open and view your student’s assignments
- View classroom calendars
- Read teacher comments
- Access classroom resources
- Much More!

Step 1: Obtain A Pairing Code

Step 1.a: Go to http://jsd.instructure.com
Step 1.b: Login with student account
Step 1.c: Click on account, then click on settings. (Left Side of Screen)

Step 1.d: Click on button that says ‘Pair With Observer.’ (Right Side of Screen)

Step 2: Create New Parent Account Using This Pairing Code

Step 2.a: Logout of student account.
Step 2.b: Click on the link that says ‘Parent of a Canvas User.’
Step 2.c: Create the new account using the paring code you created earlier.
